

A.I.R. - Accessible Inclusive Recreation

All summer camp programs offered by the City of Orillia provide an integrated environment. In conjunction with Catulpa Community Support Services the City of Orillia welcomes participants with a range of abilities to enroll in any of the various summer camp programs. Inclusive leaders are available for participants who need assistance, however spaces are limited, so please book early.

PLEASE NOTE!! The registration process for inclusion campers will be changing for the 2010 summer camp program. Forms will be available after March 30, 2010.

If your child has attended our camp in the past, you will be receiving an AIR Information Package in the mail. If your child is new to our camp program, please contact Roz Llewellyn by calling 705-329-7251 or by email at rllewellyn@city.orillia.on.ca and you will be added to the mailing list.

Parents will be required to complete and return the Information Package, indicating your preferred week(s) at camp. (Please note that spots are limited and we will do our best to accommodate as many campers as space allows. It is recommended that you return your completed Information Package as soon as possible.)

Once the completed Information Package is received by Parks & Recreation, you will receive a phone call requesting additional information that will aid in creating a safe and fun recreational environment for both your child and their support person. Open communication will help this process. Confidentiality will be applied. For more information please contact Roz Llewellyn, Recreation Program Supervisor, at 705-329-7251.
